

15W Qi Wireless Charging Stand - Qi Certified Wireless Charger Stand or Pad - Adjustable - Universal Wireless Charging Pad for Smartphone - iPhone/Samsung Galaxy/Google Pixel

Product ID: QWCHSTAND

This 15 W Qi Wireless Charging Stand features advanced charging technology to charge your Qi-compatible mobile devices. Providing a fast-charging wireless solution for your phone, this mobile charger is a must have for your home or office use.

The Qi-certified wireless charger delivers up to 15 W, providing the fastest charging speed for your mobile devices. Designed to charge with your slim cellphone case, the rapid charging stand starts to work on contact with your Qi-enabled devices. It is compatible with Qi wireless charging enabled phones including the Samsung Galaxy S10, S20 series, iPhone X, 11 and 12 series, and Google Pixel 4 and 5 series.

The wireless mobile charger has a sleek design that can be perfectly adjusted for the height of your phone. Built with functionality in mind, you can place your phone vertically or horizontally, giving you the flexibility to make calls or watch videos while charging.

This fast wireless charger has a blue LED light to show you if your device is charging and when it is fully charged. The red LED light on the charging stand will alert you if a foreign object is affecting its charging capabilities. Ensure all foreign objects are removed to charge your device.

QWCHSTAND is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility
